Blow the Trumpet for the Great Storm of 2015 Norman Hodges

In Blow the Trumpet for the Great Storm of 2015, Rev. Norman F. Hodges, Sr., shares what he believes is a timely message for the Body of Christ. After receiving revelation from the Lord, he began a study to develop a greater understanding of what he had been shown. In doing so, he has uncovered some interesting parallels between the plagues unleashed on Egypt immediately prior to the Exodus and events in the United States. According to the patterns, there is a great storm to come affecting the very core of the nation. Will the Breadbasket region of America survive? What will the impact be for this country and the rest of the world? Blow the trumpet and sound the alarm! He who has ears, let him hear!
