Gary Jeffrey

Elasmosaurio: Nadador de cuello largo (Dino-historias) (Spanish Edition) Gary Jeffrey

Tres elasmosaurios recién nacidos nadan en las aguas del mar interior occidental, en lo que ahora es Kansas. La manada cree estar en un lugar tranquilo, sin predadores a la vista, pero no sabe que otros reptiles marinos están acechando. Y lo que es peor, también se acerca un reptil más grande, llamado mosasaurio, que está listo para desatar un encuentro fatal.

Una historia gráfica que explora el hábitat y el comportamiento de estos dinosaurios, a través de una narración llena de emoción y datos de interés.
