Theorizing Masculinities (SAGE Series on Men and Masculinity)

Theorizing Masculinities (SAGE Series on Men and Masculinity)

Drawing together the broad range of theoretical issues posed in the new study of masculinity, contributors from diverse backgrounds address in this volume the different disciplinary roots of theories of masculinity - sociology, psychoanalysis, ethnography, and inequality studies. Subsequent chapters theoretically model many issues central to the study of men - power, ethnicity, feminism, homophobia - or develop theoretical explanations of some of the institutions most closely identified with men including the military and the men's movement.
