Asking Questions about Video Games (21st Century Skills Library: Asking Questions About Media)

Marie Powell

The world of gaming has changed a lot since the days of Pong and PacMan. Asking Questions about Video Games gives young readers a look at the technology behind today's games, the messages they send, and what they say about our values as a culture. Case studies prompt inquiry, further thinking, and close examination of specific issues. Additional text features and search tools, including a glossary and an index, help students locate information and learn new words.
