Com pensar més en el sexe (Spanish Edition) Alain de Botton

El sexe és una de les experiències més íntimes i alhora més excitants i una de les més confuses i difícils. Hi ha poca gent que se senti completament normal pel que fa al sexe: el que se suposa que hauríem de sentir rarament coincideix amb la realitat. Aquest llibre ens ofereix coneixements i consol amb una franquesa suprema. Alain de Botton sosté que el sexe del segle XXI està predestinat a ser un acte d'equilibri entre l'amor i el desig, entre l'aventura i el compromís. Abordant temes que inclouen la luxúria, el fetitxisme, l'adulteri, la pornografia i la impotència, articula amb franquesa els dilemes de la sexualitat moderna, ajudant-nos a pensar amb més profunditat i seny sobre el sexe que practiquem o deixem de practicar.
