Das organische Universum (German Edition) Giuliana Conforto

Giuliana Conforto, eine italienische Astro-Physikerin, beschreibt eine radikal neue Sichtweise der Welt, auf Grundlage bisher vernachlässigter wissenschaftlicher Erkenntnisse über die sogenannte "dunkle Materie" des Universums.

"Von Satelliten gewonnene Daten enthüllen, dass unsere wissenschaftliche Sichtweise des Universums unglaublich begrenzt ist, denn wir können nur 5% der gesamten Masse sehen. Die anderen 95% des Universums setzen sich zusammen aus dunkler Materie und Licht. Diese dunklen Zustandsformen der Materie können unsichtbare und intelligente Welten bilden, und die sog. "schwache" Seite der Kraft verbindet jeden einzelnen Körper mit ihnen. Weil wir sie nicht sehen können, vernachlässigen wir Menschen jene Kraft. Unsere Illusion besteht in dem falschen Glauben, dass nur das real sei, was wir sehen können. Die sichtbare Welt ist aber nur eine von vielen virtuellen Realitäten: sie stellt eine planetare Schule dar, in der wir Menschen unsere inneren Sinne und Gehirnpotentiale trainieren und entwickeln können."

From reader reviews:

Luis Herrick:

Book is to be different per grade. Book for children right up until adult are different content. To be sure that book is very important normally. The book Das organische Universum (German Edition) has been making you to know about other information and of course you can take more information. It is very advantages for you. The guide Das organische Universum (German Edition) is not only giving you a lot more new information but also to become your friend when you feel bored. You can spend your current spend time to read your book. Try to make relationship while using book Das organische Universum (German Edition). You never experience lose out for everything should you read some books.

Michael Medellin:

Spent a free time and energy to be fun activity to perform! A lot of people spent their free time with their family, or their own friends. Usually they carrying out activity like watching television, planning to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Will you something different to fill your own free time/ holiday? May be reading a book could be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, may be the e-book untitled Das organische Universum (German Edition) can be very good book to read. May be it might be best activity to you.

Maurice Conner:

Do you have something that you prefer such as book? The guide lovers usually prefer to decide on book like comic, short story and the biggest one is novel. Now, why not seeking Das organische Universum (German Edition) that give your enjoyment preference will be satisfied by reading this book. Reading behavior all over the world can be said as the means for people to know world much better then how they react toward the world. It can't be said constantly that reading behavior only for the geeky individual but for all of you who wants to become success person. So , for all of you who want to start reading through as your good habit, you can pick Das organische Universum (German Edition) become your personal starter.

Tanya Wilson:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Das organische Universum (German Edition) can make you feel more interested to read.
