Lucertole divine (Italian Edition) Salvatore Fazia

L'arte che distingue questo libro non è piccola, è l'arte di fermare un momento le cose che guizzano via leggere, senza far rumore, i momenti che io chiamo lucertole divine". Questa citazione di Nietzsche nelle primissime pagine spiega il titolo di questo libro di Salvatore Fazia, autore tra i più originali tra quelli sin qui incontrati, autentico esteta della parola, con uno speciale gusto per la calligrafia, intesa sia etimologicamente come scrittura bella da vedere, sia in senso lato come concetti ben esposti, scritti con stile originale, con un uso non scontato del vocabolario. In questa pubblicazione Fazia dà sfogo a questa sua passione ricercando, tra autori dei generi più svariati (filosofi, storici, scrittori, giornalisti, scienziati, cuochi...), frasi particolari sia per il senso, sia per l'originalità, sia per la forma.

Più che ad una raccolta di citazioni o di massime, questo libro fa pensare ad un'antologia scolastica, di quelle che raccolgono di tutto un po', per dare agli studenti un'infarinatura generale sulla letteratura. Qui l'infarinatura è molto più ampia, dedicata sicuramente non solo agli studenti ma a lettori di ogni età. Certo, non sempre le scelte sono comprensibili e le citazioni non sono tutte di facile comprensione. Ma "Lucertole divine" è una lettura stimolante, anche perché le frasi riportate non seguono un ordine preciso a meno che non sia il lettore stesso che, lasciandosi guidare dal piacere della lettura, non voglia trovarne uno.

From reader reviews:

Willie Hickox:

Book is definitely written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. As we know that book is important matter to bring us around the world. Adjacent to that you can your reading talent was fluently. A e-book Lucertole divine (Italian Edition) will make you to always be smarter. You can feel much more confidence if you can know about almost everything. But some of you think which open or reading some sort of book make you bored. It is far from make you fun. Why they are often thought like that? Have you seeking best book or appropriate book with you?

Edward Apodaca:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They should answer that question simply because just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need that Lucertole divine (Italian Edition) to read.

Marlin Brogan:

Reading can called mind hangout, why? Because when you find yourself reading a book mainly book entitled Lucertole divine (Italian Edition) your head will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely can be your mind friends. Imaging just about every word written in a e-book then become one application form conclusion and explanation in which maybe you never get just before. The Lucertole divine (Italian Edition) giving you yet another experience more than blown away your mind but also giving you useful facts for your better life within this era. So now let us demonstrate the relaxing pattern the following is your body and mind will be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary paying spare time activity?

Robert Banks:

In this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you are related is just spending your time not very much but quite enough to experience a look at some books. On the list of books in the top checklist in your reading list is definitely Lucertole divine (Italian Edition). This book that is qualified as The Hungry Hills can get you closer in getting precious person. By looking upward and review this e-book you can get many advantages.
