Pequeño Rius ilustrado (Spanish Edition) Rius

En sus páginas se encontrarán las auténticas costumbres de ciertos profesionistas -médicos, abogados, economistas y hasta funcionarios públicos-; el singular uso de ciertos objetos comunes -medias, perfumes, cheques-; o el veraz significado de conceptos religiosos y políticos "resurrección", "democracia", "nación".

Pero lo más importante de este *Pequeño Rius ilustrado* es que cada una de sus figuras y explicaciones está dominada por la más rara de las virtudes: el sentido del humor. "Vea, lea y muérase de risa", debiera ser su lema publicitario.
