This insider's perspective on the federal workforce demystifies the myth of the underworked and overcompensated employee, examines workers' daily challenges, and considers the future of government work and its workers.

- Examines the claims that federal workers are underworked, overcompensated, and expendable
- Analyzes comparable pay and benefits between the federal and private sector workforce to dispel rumors of overcompensation
- Uncovers the truth behind the misconceptions surrounding the work of federal employees and explains how these workers differ from those in private companies or unions
- Contains contributions from federal career employees, political appointees, and politicians familiar with the operation of the federal workforce
- Shares nonclassified policy documents and mission statements from across federal agencies to illustrate the daily workings of these offices
