Since the first annual state football champion was crowned in 1920, Texas has never been the same. Today, millions of Texans gather in stadiums across the Lone Star State, eagerly awaiting that magical mid- to late-December moment when the season comes to its dramatic conclusion. Of the 391 high schools reaching the championship matchup, only a handful--26--have won the title four times or more, laying claim to the coveted moniker "dynasty." From Waco High School's fourth title win in 1927 to Stamford's fourth official win in 2012, writer and lifelong football enthusiast Rick Sherrod traces the "best of the best" in this pigskin empire across ninety-three action-packed seasons.
