The Company Store H D Gordon

Thanks to the greed of man, Earth is dying. Climate change and human greed has wrought mass destruction over the planet, and a fraction of the population remains. The Company Store controls the last civilization, known as the Single Nation Circle. Those outside the Circle are Outliers, outcasts and gangsters who do whatever it takes to survive. Samuel Poe is the 18-year-old leader of the Poe Boys, the Northern Outlier gang. With resources ever dwindling, Sam knows he must be the toughest of the thugs fighting over the scraps if he hopes to keep himself and his people alive. When Sam meets Anna Rose, daughter of Mr. Company, the most powerful man in the dying world, he finds himself in a deadly race toward resources and a new life. Much like those of their ancestors, the choices of the two star-crossed teenagers will echo through the ages, the fate of the human race resting on their shoulders.
