The Diviner's Tale Bradford Morrow

An Otto Penzler Book

Walking a lonely forested valley on a spring morning in upstate New York, having been hired by a developer to dowse the land, Cassandra Brooks comes upon the shocking vision of a young girl hanged from a tree. When she returns with authorities to the site, the body has vanished, leaving in question Cassandra's credibility if not her sanity. The next day, on a return visit with the sheriff to have another look, a dazed, mute missing girl emerges from the woods, alive and the very picture of Cassandra's hanged girl.

What follows is the narrative of ever-deepening and increasingly bizarre divinations that will lead this gifted young woman, the struggling single mother of twin boys, hurtling toward a past she'd long since thought was behind her. *The Diviner's Tale* is at once a journey of self-discovery and an unorthodox murder mystery, a tale of the fantastic and a family chronicle told by an otherwise ordinary woman.

When Cassandra's dark forebodings take on tangible form, she is forced to confront a life spiraling out of control. And soon she is locked in a mortal chess match with a real-life killer who has haunted her since before she can remember.
