Trusting an Angel (Archangels) Missy Jane

As the owner of a string of successful nightclubs all over the world, Zerach can have any woman--except for his assistant Isadora O'Donnell. First off, Isadora isn't a one-night-stand kind of girl, and second, her dominating godparents don't approve of him. There's also the fact that he is an archangel with a mission to protect humans from demons, something Isadora can never find out about.

Isadora secretly longs for Zerach's attention but her scarred body and his playboy ways keep her from acting on her feelings. With her only family on the brink of bankruptcy, she's determined to help them, even if it means trying to forget Zerach and marrying the womanizing Jake, a man she'll never love.

Zerach tries to keep Isadora at arm's length, but when a demon starts stalking her, Zerach will stop at nothing to protect the woman he loves. But protecting her could cost him his wings.
