El médico rural (texto completo, con índice activo) (Spanish Edition) Felipe Trigo

Este ebook presenta "El médico rural (texto completo, con índice activo)" con un sumario dinámico y detallado.

El libro, publicado en 1912, sigue los primeros años de ejercicio en la profesión médica de Esteban, un joven e inexperimentado médico, desde los primeros años de buenas intenciones hasta la corrupción final. Felipe Trigo deja en este caso en segundo plano el erotismo, tema principal en otras novelas, para centrarse en analizar en profundidad la vida rural española de la época. Se considera una novela con rasgos autobiográficos que se completa con la historia que el autor inició en la obra En la carrera.

Felipe Trigo (1864-1916), un médico, militar y escritor. Es considerado el principal precursor de la novela erótica durante los primeros años del siglo XX. En sus novelas cortas describió la burguesía provinciana y la hipocresía de su comportamiento, defendió con ingenuidad la tesis de la liberación erótica y sexual como vía de salvación colectiva.
