Influenced by the German use of paratroopers early in World War Two, General Sir Robert Cassels, the Commander-in-Chief India, ordered the formation of an airborne cadre in October 1940. Thus marked the origins of India's first 'elite' units. Pakistan can trace the origins of its own army airborne to the common parentage of British-raised forces. Following the partition from India in August 1947, it raised its own Special Service Group, with individually specialised companies including desert, mountain, ranger and underwater warfare units. This remarkable volume by Kenneth Conboy details the history, organisation, uniforms and insignia of the 'elite' forces of India and Pakistan. Also covered are the elite forces of Afghanistan, Nepal, Sri Lanka, and Bangladesh. Due to popular demand, strictly limited quantities of Osprey's most wanted out of print Men-at-Arms, Vanguard and Elite titles are back in stock. Many of these books have been out of print for 5 years or more, so don't miss this one-off opportunity to buy them hot-off-the-press at regular series prices while stocks last. Orders will be processed on a strictly first come, first served basis so hurry! Order your books today.
