Jewish Mysticism and Kabbalah: New Insights and Scholarship (Jewish Studies in the Twenty-First Century) Frederick E. Greenspahn

Over the past generation, scholars have devoted increasing attention to the diverse forms that Jewish mysticism has taken both in the past and today: what was once called “nonsense” by Jewish scholars has generated important research and attention both within the academy and beyond, as demonstrated by the popular fascination with figures such as Madonna and Demi Moore and the growing interest in spirituality.

In *Jewish Mysticism and Kabbalah*, leading experts introduce the history of this scholarship as well as the most recent insights and debates that currently animate the field in a way that is accessible to a broad audience. From mystical outpourings in ancient Palestine to the Kabbalah Centre, and from attitudes towards gender to mystical contributions to Jewish messianic movements, this volume explores the various expressions of Jewish mysticism from antiquity to the present day in an engaging style appropriate for students and non-specialists alike.

From reader reviews:

Betty Ahlstrom:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be compelled someone or something that they don't would like do that. You must know how great along with important the book Jewish Mysticism and Kabbalah: New Insights and Scholarship (Jewish Studies in the Twenty-First Century). All type of book can you see on many solutions. You can look for the internet options or other social media.

James Vazquez:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a information or any news even a huge concern. What people must be consider while those information which is in the former life are hard to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Jewish Mysticism and Kabbalah: New Insights and Scholarship (Jewish Studies in the Twenty-First Century) as your daily resource information.

Susan Gaier:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Jewish Mysticism and Kabbalah: New Insights and Scholarship (Jewish Studies in the Twenty-First Century) can make you feel more interested to read.

Elaine West:
