Professor Borges: A Course on English Literature Jorge Luis Borges

In English at last, Borges's erudite and entertaining lectures on English literature from Beowulf to Oscar Wilde

Writing for *Harper's Magazine*, Edgardo Krebs describes Professor Borges: "A compilation of the twenty-five lectures Borges gave in 1966 at the University of Buenos Aires, where he taught English literature. Starting with the Vikings' kennings and Beowulf and ending with Stevenson and Oscar Wilde, the book traverses a landscape of 'precursors,' cross-cultural borrowings, and genres of expression, all connected by Borges into a vast interpretive web. This is the most surprising and useful of Borges's works to have appeared posthumously."

Borges takes us on a startling, idiosyncratic, fresh, and highly opinionated tour of English literature, weaving together countless cultural traditions of the last three thousand years. Borges's lectures — delivered extempore by a man of extraordinary erudition — bring the canon to remarkably vivid life. Now translated into English for the first time, these lectures are accompanied by extensive and informative notes by the Borges scholars Martín Arias and Martín Hadis.

Oh come on your looking at sixth sense already told you so why you have to listening to another sixth sense.

Miguel Ross:

Are you kind of occupied person, only have 10 as well as 15 minute in your day to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your limited time to read it because pretty much everything time you only find publication that need more time to be read. Professor Borges: A Course on English Literature can be your answer since it can be read by you who have those short time problems.

Chrissy Stallings:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Professor Borges: A Course on English Literature can make you feel more interested to read.
