Ravel: A Novel

Jean Echenoz

Ravel: A Novel Jean Echenoz

Ravel is a beguiling and original evocation of the last ten years in the life of the musical genius Ravel, written by novelist Jean Echenoz.

The book opens in 1928 as Maurice Ravel—dandy, eccentric, curmudgeon—crosses the Atlantic aboard the luxury liner the *SS France* to begin his triumphant grand tour of the United States. A “master magician of the French novel” (*The Washington Post*), Echenoz captures the folly of the era as well as its genius, including Ravel’s personal life—sartorially and socially splendid—as well as his most successful compositions from 1927 to 1937.

Illuminated by flashes of Echenoz’s characteristically sly humor, *Ravel* is a delightfully quirky portrait of a famous musician coping with the ups and downs of his illustrious career. It is also a beautifully written novel that’s a deeply touching farewell to a dignified and lonely man going reluctantly into the night.
