## **Regional Organizations and Social Policy in Europe and Latin America: A Space for Social Citizenship? (Development, Justice and Citizenship)**

The contributors investigate to what extent and how regional organizations in Europe and Latin America provide a space for the regulation and provision of social policies in the area of social protection, higher education and health. Focusing on the European Union, Mercosur and Unasur, they offer an explanation for the developments and changes in social policy governance, and analyse the impact of regional organizations on social citizenship following political struggle and contestation.
