United States Martial Pistols and Revolvers: A Reference and History Arcadi Gluckman
A historical reference for more than one hundred handguns.

United States Martial Pistols and Revolvers, first published in 1939, provides firearm collectors and enthusiasts with a single authoritative volume containing information on the development and description of martial short arms, from the flintlock pistol that was available at the birth of the nation to the latest available handguns during the World War I.

This book is particularly useful to collectors as an important reference source, offering a listing of single-shot pistols, revolvers, and semiautomatic pistols, over the period of 1799–1917. Gluckman covers the brief histories of more than one hundred handguns, going into the specific details of the chemistry of gunpowder and the development of the first automatic firearms. Following innovators like Reverend Alexander Forsyth, John P. Lindsay, and Samuel Colt, the evolution of the weapons is carefully examined over time.

The comprehensive text is accompanied by a series of original illustrations of the pistols and revolvers, demonstrating the specifics of many gun mechanisms. For experts and the more casual hobbyist alike, this book offers a unique collection of information on martial pistols and revolvers in the United States, up until WWI.

Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
