Lauren Parish's hottest fling was with Carson McCullen— a mortal and a huge no-no in her witching world. His reappearance in her life has her imagining many new steamy encounters. Too bad his timing sucks.

She's busy avoiding the witch-hunters who want her dead, and her only option is to go underground. And when the hunters spot Carson, he has to join her. Still, there are worse ways to pass the days than in seclusion with such a scrumptious man.

Before long their bedroom maneuvers make their previous affair seem G-rated. All too soon, however, they have to return to the real world—and the threat facing Lauren. Logically, she knows she should let Carson go. But how long can she go without this hot sex?
