Encyclopedia of British Horse Racing (Routledge Sports Reference Series)

The Encyclopedia of British Horse Racing offers an innovative approach to one of Britain's oldest sports. Entries include:

- social, economic and political forces that have influenced racing
- controversial historical and current issues
- legal and illegal gambling, and racing finance
- the British impact on world horseracing
- history and heritage of horseracing
- links between horse racing and the arts, media and technology
- human and equine biographies

- horseracing websites

The Encyclopedia of British Horse Racing provides a unique source of information and will be of great interest to sports historians as well as all those whose work or leisure brings them into the world of racing.
