English Football Days (Italian Edition) Christian Cesarini

English Football Days - 1863-1915 Nascita e sviluppo del calcio in Inghilterra attraverso la storia del Manchester United Football Club.

Cosa c'entrano i cinesi, i romani e gli inglesi con la nascita del più bel gioco di squadra mai inventato sul pianeta, capace di coinvolgere folle immense quasi come fosse una religione? Chi introdusse le reti alle porte, il penalty o il tabellone segnapunti? Chi furono gli Outcasts Football Club e il primo giocatore di colore a giocare nell'Fa Cup? Chi fondò la Football League e chi inventò i parastinchi? E ancora: perchè si gioca in undici contro undici e come si composero i primi schieramenti? Come iniziò il professionismo e che ruolo ebbe un cane di nome Major con il Manchester United? I fatti, le curiosità, gli aneddoti. Le statistiche, le regole, i clubs. I giocatori, i dirigenti e i profili delle superstars degli albori del calcio, il tutto raccontato parallelamente alla storia del Newton Heath - Manchester United senza dimenticare le drammatiche vicende dei football heroes, che ripiegarono forzatamente le maglie da gioco per indossare, coraggiosamente, la divisa militare della British Army. La storia spesso diventa leggenda, un viaggio nel tempo, attraverso l'evolversi di quarant'anni di calcio, in un'epoca in cui: "the football was football and the footballers were men".

Christian Cesarini, nato a Roma nel 1973, è il responsabile dell'apprezzato sito web Old British Football, attualmente l'unico in lingua italiana che racconti esclusivamente del football anglosassone pre-era Premier League. Una passione per il football inglese e per il Manchester United, iniziata sin da bambino e proseguita in età adulta. Collaboratore del magazine di calcio e cultura britannica: 'Fever Pitch' colleziona subbuteo e memorabilia calcistica inglese degli anni settanta ed ottanta.
