Israel since 1980 (The World Since 1980) Guy Ben-Porat, Yagil Levy, Shlomo Mizrahi, Arye Naor, Erez Tzfadia

Over the last quarter century, a radical demographic, economic and political transformation has been taking place from within Israel. Israelis are beginning to ask some fundamental questions about the country they live in and what it means to be an Israeli. This book, written by five Israeli academics, probes the changing nature of Israeli society over the last twenty-five years. It considers the deep rifts in that society caused by ethnic, cultural, class and religious divide. It looks at political and economic changes and how privatization has undermined the welfare state. It questions the role of the military in the light of the wider social and economic changes. Finally, and crucially, it asks whether new political initiatives can offer a realistic alternative to the inadequacies of recent governments. This is an informative account of Israel's recent past and the challenges it faces in the twenty-first century.

From reader reviews:

Gloria Smith:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what you problem? How about your free time? Or are you busy man? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question simply because just their can do that. It said that about book. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this specific Israel since 1980 (The World Since 1980) to read.

Pearl McLean:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that may give you benefit in your life. Having book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some analysis before they write on their book. One of them is this Israel since 1980 (The World Since 1980).

Arthur Daniel:

People live in this new day of lifestyle always attempt to and must have the time or they will get wide range of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not just a robot. Then we consult again, what kind of activity do you have when the spare time coming to you actually of course your answer will certainly unlimited right. Then ever try this one, reading guides. It can be your alternative in spending your spare time, the actual book you have read is definitely Israel since 1980 (The World Since 1980).

James Holmes:

It is possible to spend your free time to learn this book this reserve. This Israel since 1980 (The World Since 1980) is simple to deliver you can read it in the park, in the beach, train as well as soon. If you did not have got much space to bring the actual printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the book in your smart phone.
