Learning to Crochet (How-to Library) Dana Meachen Rau

Create everything from blankets to smartphone cases with the fun crochet projects in this book. Crafters practice comprehension skills as they use text and diagrams to follow the steps for each project. The activities push students to learn and apply domain-specific vocabulary, practice new techniques, and build on concepts that may already be familiar. Other tools, including an index and additional resources, encourage readers to locate information and explore further independently.
