Developing Destinies: A Mayan Midwife and Town (Child Development in Cultural Context) Barbara Rogoff

Born with the destiny of becoming a Mayan sacred midwife, Chona Perez has carried on centuries-old traditional Indigenous American birth and healing practices over her 85 years. At the same time, Chona developed new approaches to the care of pregnancy, newborns, and mothers based on her own experience and ideas. In this way, Chona has contributed to both the cultural continuities and cultural changes of her town over the decades. In *Developing Destinies*, Barbara Rogoff illuminates how individuals worldwide build on cultural heritage from prior generations and at the same time create new ways of living. Throughout Chona's lifetime, her Guatemalan town has continued to use longstanding Mayan cultural practices, such as including children in a range of community activities and encouraging them to learn by observing and contributing. But the town has also transformed dramatically since the days of Chona's own childhood. For instance, although Chona's upbringing included no formal schooling, some of her grandchildren have gone on to attend university and earn scholarly degrees. The lives of Chona and her town provide extraordinary examples of how cultural practices are preserved even as they are adapted and modified. *Developing Destinies* is an engaging narrative of one remarkable person's life and the life of her community that blends psychology, anthropology, and history to reveal the integral role that culture plays in human development. With extensive photographs and accounts of Mayan family life, medical practices, birth, child development, and learning, Rogoff adeptly shows that we can better understand the role of culture in our lives by examining how people participate in cultural practices. This landmark book brings theory alive with fascinating ethnographic findings that advance our understanding of childhood, culture, and change.

From reader reviews:

Gary Lane:

Have you spare time to get a day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a wander, shopping, or went to the particular Mall. How about open or read a book allowed Developing Destinies: A Mayan Midwife and Town (Child Development in Cultural Context)? Maybe it is for being best activity for you. You recognize beside you can spend your time with the favorite's book, you can wiser than before. Do you agree with the opinion or you have other opinion?

Amanda Grant:

What do you concerning book? It is not important with you? Or just adding material when you really need something to explain what the ones you have problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They should answer that question because just their can do that. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this specific Developing Destinies: A Mayan Midwife and Town (Child Development in Cultural Context) to read.

Jennifer Wilson:

This Developing Destinies: A Mayan Midwife and Town (Child Development in Cultural Context) is great reserve for you because the content and that is full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it facts accurately using great organize word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with wonderful delivering sentences. Having Developing Destinies: A Mayan Midwife and Town (Child Development in Cultural Context) in your hand like having the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen small right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. active do you still doubt which?

Rita Furguson:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many

ways to reach Chinese's country. So , this Developing Destinies: A Mayan Midwife and Town (Child Development in Cultural Context) can make you truly feel more interested to read.
