At Gram's Country Cooking School, Isabelle "Betts" Winston and her grandmother share their home-style culinary secrets. But what they keep to themselves are the secrets of Broken Rope, a quiet little Missouri town, that isn't nearly as quiet as it seems...

A fresh school year begins as Gram and Betts anxiously await the arrival of their new crop of students. But their enthusiasm is thwarted when a stranger named Freddie O'Bannon arrives and claims to have proof that he was accepted to the school despite what is in their files. And when the ghost of Cylas Gent, a young man who might have a romantic past with Gram, also appears, there are suddenly two mysteries demanding their attention.

But just as Gram and Betts start sifting through the past, one of their new students is murdered. Does the seemingly sweet Freddie O'Bannon have something sinister to hide, or are Gram's ghosts trying to teach her a lesson? Either way, it's up to the country cooks to catch a killer before another living soul gets burned.

Includes delicious recipes!
