Out of Time: 1966 and the End of Old-Fashioned Britain (Wisden Sports Writing) Peter Chapman

In the summer of 1966 Peter Chapman was a naive 18-year-old from the Angel in north London. He was just about to enter the world of work, having flunked his A Levels and recently discovered that he would not be fulfilling his dream of becoming a professional footballer at Leyton Orient. As a young man on the brink of adulthood, he found himself in a country also on the brink of huge change ? and about to have one of the most significant sporting successes in its history.

Focused around England's one and only World Cup victory, *Out of Time* tells the story of that summer ? both the football and the country's broader political, social and economic picture ? through his 18-year-old eyes, and offers a vivid and beautifully written portrait of what life was like in 1966.
