'Mazin Qumsiyeh brings to light many forgotten and willfully buried facts about the origins of the Israel-Palestinian conflict.' Norman Finkelstein

'A tour-de-force.' Naseer Aruri, Professor Emeritus and author of 'Dishonest Broker'

'An erudite work of extensive scholarship, enormous scope, searing honesty, and intellectual audacity. ... Breathtaking!' Dr. Hanan Ashrawi

There is no more compelling and dramatic unfolding story, with more profound international ramifications, than the conflict in the Middle East.

Sharing the Land of Canaan is a critical examination of the core issues of the conflict that dares to put forward a radical but logical solution: that a shared state is the best way to achieve justice and peace for Israelis and Palestinians.

Mazin B. Qumsiyeh, a human rights activist based at Yale University, offers an overview of the issues at stake, and outlines his vision for a lasting peace based on upholding the principles of human rights for all. Tackling taboo subjects, myths and obstacles, he argues convincingly that apartheid in the form of a two-state solution is no longer a feasible way to achieve enduring peace.

At this critical time, when the 'road map' to peace looks more uncertain than ever, this book provides a refreshing counterpoint to the failed strategies of the past. It is a direct and accessible account of the history - and mythology - of the fabled 'Land of Canaan', which lays out hopeful ideas for the future of this truly multiethnic and multicultural region.
