Awake: Doing a World of Good One Person at a Time Noel Brewer Yeatts

You can change the world--one life at a time.

Most of us enjoy a quality of life that much of the world could not even imagine. It's easy to live unaffected by the injustices and impossible realities on the other side of the world. The truth is, we know we should help those less fortunate than us, but when the faces of those who suffer are distant and the need feels so overwhelming, where do we start? Where can we make the most impact?

This compelling, story-driven book urges us to open our eyes to the needs of a hurting world and to get involved in realistic, positive change. It's not about guilt, handouts, or charity--it's about justice, compassion, and change.

It's time for us to be fully awake to the needs of a hurting world . . . and do a world of good one person at a time.

"Noel Yeatts's life will awaken yours. Her personal witness to stories of triumph and tragedy will inspire Christians to get out of the pew and into the world."--Gabe Lyons, author of *The Next Christians* and founder of Q Ideas

"Noel saw a need and was willing to fill it and has written about it in this fabulous book. She realizes that it only takes one to reach one, and in this book you will find her story and others that can encourage you to make a difference to someone's quality of life right now."--Thelma Wells, author, speaker, teacher, A Woman of God Ministries; www.ThelmaWells.com

"Noel Brewer Yeatts is a global leader. Her work in the world's most difficult places is changing history right now, and after you read *Awake*, you'll understand why. This isn't just a book. It's a provocation. By the time you're finished, you'll be making history too."--Johnnie Moore, vice president, Liberty University; author of *Honestly: Really Living What We Say We Believe*

Noel Brewer Yeatts is the vice president of World Help (worldhelp.net), a faith-based humanitarian organization that serves the physical and spiritual needs of people in impoverished communities around the world. She also directs an initiative of World Help called *causelife* (causelife.org), a movement of people dedicated to providing the most essential need to human life: clean water. Her work has taken her around the world to document the gripping stories of those affected by HIV/AIDS, hunger, poverty, and disease.
