Healing the Orphan Spirit Revised Edition (Sonship Series) Leif Hetland

All that Father God has is ours! In this very hour, all of creation is groaning for the sons and daughters of God to be revealed. It is time for us to come into the fullness of who we were created to be, so all of creation will come back to Father God's house. Father God never intended for us to live as orphans without a Father or without a home. As you read this Revised Edition of Healing the Orphan Spirit, receive a revelation of how to live from your identity as a child of Father God. The orphan spirit cannot be cast out; it can only be displaced by love, because perfect love casts out all fear.
