Mi primo y yo Golden Books

Spanish translation of "Just Me and My Cousin". In this funny picture book starring Mercer Mayer's popular Little Critter, our young hero is off for a visit with his cousin. The day starts well but turns into pillow fights and tattletelling and checker boards overturned. It's not always easy to be a cousin. Little Critter is ready to go home, but his cousin saves the day before it's too late.

From reader reviews:

Carissa Taylor:

Book is to be different for each and every grade. Book for children until adult are different content. We all know that that book is very important for us. The book Mi primo y yo has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The book Mi primo y yo is not only giving you far more new information but also being your friend when you experience bored. You can spend your own spend time to read your book. Try to make relationship while using book Mi primo y yo. You never experience lose out for everything in case you read some books.

John Whetstone:

In this period of time globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The health of the world makes the information better to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. The book that recommended for you is Mi primo y yo this reserve consist a lot of the information on the condition of this world now. This specific book was represented so why is the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The writer made some study when he makes this book. Honestly, that is why this book acceptable all of you.

Larry Parrish:

A lot of book has printed but it takes a different approach. You can get it by online on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by means of searching from it. It is known as of book Mi primo y yo. Contain your knowledge by it. Without making the printed book, it could possibly add your knowledge and make anyone happier to read. It is most significant that, you must aware about book. It can bring you from one destination for a other place.

Denise Rutledge:

A number of people said that they feel bored when they reading a publication. They are directly felt that when they get a half elements of the book. You can choose often the book Mi primo y yo to make your own reading is interesting. Your own skill of reading skill is developing when you such as reading. Try to choose very simple book to make you enjoy to study it and mingle the sensation about book and reading especially. It is to be initial opinion for you to like to open a book and read it. Beside that the guide Mi primo y yo can to be your brand-new friend when you're experience alone and confuse with the information must you're doing of their time.
