## **The Life and Adventures of Martin Chuzzlewit** Charles Dickens

"The Life and Adventures of Martin Chuzzlewit" is a novel by Charles Dickens. The story involves the escape of a young boy from imminent danger, and portrays the terrified child's point of view throughout his traumatic experiences. It is widely accepted as the last of his picaresque novels and was thought by Dickens himself to be his best novel. Surprisingly, however, it was one of his least popular works. A fantastic novel, "The Life and Adventure of Martin Chuzzlewit" would make for a great addition to any collection, and is not to be missed by fans and collectors of Dickens's seminal work. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.
