Warriors in Peacetime: New Directions for US Policy The Military and Democracy in Latin America (Small Wars and Insurgencies)

What should military warriors do in peacetime? Such was the theme of an international conference at the Inter-American Defense College in 1992 which brought together diplomats, military officials and distinguished academics to discuss the purpose of military institutions in Latin America in the new world order. The most important message of this book is that the order has by no means eliminated the need for armed forces.
