An Algebra (Phoenix Poets)

Don Bogen

An Algebra (Phoenix Poets) Don Bogen

from *Bagatelles*

Bagatelles,

mere gestures

in dry air,

each pluck a dot,

strokes marked on silence

reaching into the dark.

Beauty is strict,

it passes:

an echo, a wedge

of harmony, sudden,

broken—*Who goes there?*

An Algebra is an interwoven collection of eight sequences and sixteen individual poems, where images and phrases recur in new contexts, connecting and suspending thoughts, emotions and insights. By turns, the poems leap from the public realm of urban decay and outsourcing to the intimacies of family life, from a street mime to a haunting dream, from elegy to lyric evocation. Wholeness and brokenness intertwine in the book; glimpsed patterns and startling disjunctions drive its explorations.

An Algebra is a work of changing equivalents, a search for balance in a world of transformation and loss. It is a brilliantly constructed, moving book by a poet who has achieved a new level of imaginative expression and skill.

Praise for *After the Splendid Display*

"In his best work . . . conscience and craft fuse seamlessly, and the result is original and arresting."—*The Nation*

From reader reviews:

Wayne Ross:

What do you ponder on book? It is just for students as they are still students or the idea for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't desire do that. You must know how great and also important the book An Algebra (Phoenix Poets). All type of book can you see on many resources. You can look for the internet resources or other social media.

Jeffrey Messina:

In this 21st centuries, people become competitive in each way. By being competitive at this point, people have do something to make them survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. That's why, by reading a reserve your ability to survive boost then having chance to stand than other is high. For you who want to start reading any book, we give you this particular An Algebra (Phoenix Poets) book as beginning and daily reading e-book. Why, because this book is more than just a book.

Jessica Adkins:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a expertise or any news even restricted. What people must be consider any time those information which is within the former life are challenging be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take An Algebra (Phoenix Poets) as the daily resource information.

Meghan Drucker:

Reading a book being new life style in this calendar year; every people loves to read a book. When you examine a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, as well as soon. The An Algebra (Phoenix Poets) will give you new experience in looking at a book.
