Broken Trail (Loyalist Trilogy) Jean Rae Baxter

Broken Trail is the story a thirteen-year-old white boy, the son of United Empire Loyalists, who has been captured and adopted by the Oneida people. Striving to find his vision oki that will guide him in his quest to become a warrior, Broken Trail disavows his white heritage — he considers himself Oneida. But everything changes when Broken Trail, alone in the woods on his vision quest, is mistakenly shot by a redcoat soldier. Broken Trail is taken to the soldier's camp and then sent south on a mission to deliver a message to Major Patrick Ferguson that could save many lives. Narrowly escaping being slaughtered in the Battle of Kinds Mountain, Broken Trail finds his long-lost older brother, who had been fighting for the British and has been captured by the rebels.
