To the Ends of the Earth: Photographer Cat Cochran has been to exotic places most people only dream about - but all she wants to do is settle down and get her life in order. One last assignment and she can put her past behind her. But first she must photograph the mysterious and elusive ship designer T.H. Danvers and his awesome creations. This Time Love: Gabe Venture came to New Mexico to explore the natural wonders of Lost River Cave, with Joy Anderson acting as his guide. Surrounded by staggering beauty they both surrendered to a passion too powerful to deny - and Joy gave herself freely to the most extraordinary man she had ever known. But Gabe was destined for great things. Seven years have passed, and Joy - now a respected professor - has put what once was behind her, though the memory will always remain alive in the light that shines in the eyes of her beautiful child. Now Gabe has returned. Forget Me Not: The terrible tragedy Alana Reeves suffered on Wyoming's Broken Mountain has vanished from her memory. Now nothing remains of those six lost days that cost her everything she held dear. But a man has appeared from the shadows of Alana's past - Rafe Winter, a rugged outdoorsman who once dwelt in a wounded heart he is now sworn to heal.
