Tao - A New Way of Thinking: A Translation of the Tao Tê Ching with an Introduction and Commentaries Chung-yuan Chang

This exceptional translation of the Tao Tê Ching by Chinese scholar Chung-yuan Chang reveals the true wisdom and beauty of this ancient Chinese text.

Traditionally attributed to Taoist philosopher Lao Tzu, the Tao Tê Ching remains relevant worldwide today, more than two thousand years after it was written. This translation of the Taoist text, with Chang's accompanying commentaries, illuminates the real meaning of the Tao Tê Ching and makes this Chinese classic both accessible and relevant to modern ways of thinking, without any reduction of the complex thought within its pages. Chang Chung-yuan is unique in his approach and his introduction and commentaries place the Taoist text in the context of Western metaphysics, making reference to Heidegger, Hegel, Schopenhauer, Jung, Plato, Kant and Nietzsche, as well as capturing the context within which Taoism came to the West.

Tao: A New Way of Thinking will be fascinating to anyone with an interest in Taoism and will be particularly appealing to those interested in comparative philosophy.
