In *Back Where He Started*, Chris Thayer finds himself packing up the last pieces of a quietly extraordinary life. After twenty-three years of marriage to Zack Ronan—and after raising the widower’s three kids—Chris finds himself facing an uncertain second act. Seeking refuge in North Carolina’s Outer Banks, Chris has to come to terms with his own empty nest and challenge himself to move forward with a new relationship. This is a subtle depiction of the meaning of family and motherhood, and of the search for your true soul.

Jay Quinn’s Lambda-nominated novels transcend traditional gay fiction, exploring universal issues of marriage, aging parents, addiction, and attraction, all while presenting unique characters and page-turning drama. Don’t miss any of Quinn’s novels: *Metes and Bounds*, *Back Where He Started*, *The Good Neighbor*, *The Beloved Son*, and *The Boomerang Kid*.
