Encyclopaedia of Superstitions - A History of Superstition M. Radford

The first book to deal with the history and source of complete superstitions which exist, or have existed among British people throughout the world. They are presented in encyclopaedic form, so that any individual superstition, or collective superstitions related to one particular subject, can be found under a specified heading. Some 2300 superstitions are listed in a work of over 230,000 words. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
