Introduction to the Introduction to Wang Wei

Pain Not Bread

Introduction to the Introduction to Wang Wei Pain Not Bread
Introduction to the Introduction to the Introduction by Andre Alexis

For me, reading the Introduction was like being caught in a spring shower while waiting for the 41, and running into a library to get out of the rain and, because the rain lasts, wandering the aisles on the fifth floor, taking books from the shelves (Waley's translations from the Chinese, a work by Roland Barthes, an oversized book about eastern birds...), draping my winter coat on a chair and sitting down to read.

My coat smells of wet coconut matting, and the library is warm, and I fall asleep, my head on the desk, and dream about a strange library filled with impossibly rare and impossibly beautiful works: Waley on birds, Barthes' translations from the Chinese, an oversized book about rain...

And when I wake, moments later, after what seems like hours, I have the momentary and vivid conviction that, if I listened properly, I could translate water into any language at all.
