Includes practical, user-friendly diagrams and templates to simplify instructions - perfect for both novice and experienced quilters.

Quilting: Row by Row Construction by Sarah Fielke is a great quilting technique to master. The secret to these quilts is simple - the blocks are constructed in rows of squares across the quilt, rather than constructed blocks being sewn together. This vibrant and beautifully photographed book, brimming with Sarah's insider tips, provides the quilter with an accessible way to try out new methods, textures and colours, and in the process build upon their skills.

By first constructing a small dolly quilt, the quilter gains confidence in the techniques that enable them to make its larger companion quilt. Discover how, from little things, big and exciting things can grow.
