Tropicaleses, barroquerías y más (Spanish Edition) Rius

Tropicaleses, barroquerías y más turbaciones representa, en palabras del mismo Rius, los dibujos e ideas más locas, realizados sin tener una intención bien identificada, por lo que simbolizan la espontaneidad, el talento y la brillantez del autor.

Esta colección de trazos surrealistas contrapunteados con textos jocosos, o "filosofía humorística" como bien la caracterizó Rius, ocupa un lugar privilegiado en la extensa obra del gran monero mexicano.
