At Smith's Sweet Treats and Coffee, you'll find Brooklyn's best house blend and the freshest homemade pastries. It's more than a business to owner Angela Smith. It's her home and her refuge--one she stands to lose thanks to her gouging landlord. Then a new regular offers to cover her rent increase if Angela lets him meet his clients there. If Matthew McConnell weren't such a persuasive lawyer--and so sweet, funny, and sexy--she wouldn't dream of letting him in.

Since he left a high-paying, soul-sucking legal firm to go solo, Matthew has been striking out, professionally and personally. The best part of his love life is regaling Angela with date-from-hell stories over steaming, fragrant coffee. Behind her captivating smile is a smart, sensual woman he'd love to get close to. And when a secret from her past is suddenly exposed, he gets a chance to prove he's the man she needs, in every way that matters. . .
