Coals of Fire Elizabeth H Bauman

Preacher Peter is wakened by strange noises on the roof. To his dismay he finds there are young men destroying his hatch. As a Mennonite minister he believes in the way of peace, so instead of calling the authorities or shouting threats, Peter and his wife invite the young men in for a midnight meal. Their act of kindness brings unexpected results.

Peter is not alone in this collection of true stories. Each tells of returning love for hate, good for evil. Written for elementary age children (but of interest to teens and adults), Elizabeth H. Bauman shares 17 true stories of men and women from various times and countries who showed the universal power of Christian love.
