La organización escolar normativa y aplicada (Manuales y obras de referencia) (Spanish Edition)

Isabel Cantón Mayo

La rápida evolución de la sociedad nos sitúa en entornos caóticos y cambiantes que se reflejan en la vida de los centros y de las aulas. Ante esta realidad, la necesidad de recoger y sistematizar los principales procesos organizativos en los centros es a la vez perentoria y difícil. Este libro nos acerca a la realidad normativa y aplicada de la compleja vida organizativa. Por ello recoge, por un lado, las principales corrientes teóricas y, por otro, las aplicaciones concretas y prácticas que se derivan de la normativa legal y son de obligado cumplimiento para los centros y para los profesores. Se constituye, por ello, en una herramienta útil para futuros docentes de Secundaria a través del CAP, para maestros, para opositores de Secundaria y para educadores en general.
