L'abisso necessario (Italian Edition) Giacomo Marcacci

Sigmund Freud lascia Vienna, il suo studio e il suo lavoro, poco prima di ultimare la stesura dell'Interpretazione dei sogni, per incontrare a Weimar il grande filosofo e filologo tedesco Friedrich Wilhelm Nietzsche. È stata la sorella di quest'ultimo a richiedergli un parere professionale rispetto alle condizioni di salute del fratello. Tra le mura della villa, che sembrano voler celare gelosamente oscuri segreti di famiglia, il neurologo cerca di far luce su quella che si rivela un'intricata vicenda e che si risolverà come esperienza assolutamente straordinaria. In questo volume, l'autore immagina il dialogo tra due giganti del pensiero - un Freud non ancora all'apice della carriera e un Nietzsche, ormai infermo - dialogo che diventa un piccolo trattato di filosofia, illuminante per le contraddizioni e le assonanze che emergono. Cosa sarebbe potuto accadere, infatti, se Freud e Nietzsche si fossero davvero incontrati? Quali riflessioni, quali profondità ne sarebbero scaturite?
