Cate: A Care Giver Providing Real Care Part 1 Elizabeth Thorn

Cate, a care giver, learns a very new definition of taking care of a patient.

One that she has to balance with the moral obligations that she has as a married woman.

Slowly but steadily she reaches the point of no return.

How will her husband respond once he finds out what she's been doing on the job?

Who is Cate? She is a married blonde bombshell of a hotty with a fixation on big and fat cocks, something that puts her to shame in her own eyes.

Who is her patient? A young male who is paralysed from the neck down, and carrying the big and fat cock that are the realization of Cate's wet dreams.

How could she resist? How?
