Dark Nantucket Noon (The Homer Kelly Mysteries Book 2) Jane Langton

Homer defends a crazed poet accused of using an eclipse as cover for murder

For all her life, poet Kitty Clark has waited to see a total eclipse of the sun. News of an impending eclipse thrills her until she learns it will be visible only from Nantucket, where one year ago her ex-lover Joe Green moved with his new wife. Unable to resist the astronomical lure, she flies in from Boston, and makes her way to an isolated lighthouse, hoping to avoid seeing Joe. The eclipse itself is overwhelming; Kitty screams when the sun vanishes behind the dark blot of the moon. When the sun returns a few minutes later, Kitty stands over the bloodied body of Mrs. Joe Green, claiming “the moon did it.”

Transcendentalist scholar and former detective Homer Kelly agrees to defend the troubled young poet, but the more Kitty insists she is innocent, the crazier she appears. To clear her name he must discover who set her up, and what happened during the two minutes when the Nantucket sun disappeared.
