**A trio of enigmatic visitors bring out a new side of Mr. Schwartz, while rumors of imminent plumbing disaster take on a life of their own among the tenants of Hubris Towers.**

These things always blow over, of course, but it's still best to investigate, if only to satisfy the tenants. Little does Jimmy know the stakes are about to be raised and new alliances formed as his investigation turns up rather more than he wanted to know about Hubris Towers and Ana makes a disturbing discovery of her own.

At least there's Mrs. Plover's pie to look forward to. There's no way pie can go wrong. Right?
